OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Dated 29th March 1951.

To

1. Heads of All Departments.
2. All the Deputy Commissioners.

Sir,

Subject:—Supply of Typewriters to Government Departments and Offices.

No 18945. I write to state that prices of typewriters specially of American origin are rising rapidly from some time past and the prices that are obtaining now and that are now accepted by the Government of India are going to be increased by about 25 per cent more and consequently it has been found expedient by Government to purchase and store some typewriters of American origin on Government account and arrange supplies to Government Departments as and when required.

The Government have therefore arranged to purchase for the present Remington typewriters of the undermentioned sizes and these will be placed for distribution with the undersigned who will arrange for supplies among the several Government Departments on applications in the prescribed form which will be supplied on request.

(a) Policy.
(b) Brief.
(c) Foolscap.
(d) Portable.

In view of the fact that only Remington machines are stored, all indentors who apply for typewriters from 1st April 1951, are requested to indent only for these machines after getting the necessary Government sanction for the same. If any other size like Manifest and Ex-Manifest is required, an application may be made to that effect setting forth the details of work involved, etc.

Applications, therefore may be made to this office with a copy of the Government Order sanctioning the purchase and the details like the adjustment of the bill of cost, cartage, transhipment charges, etc., will be furnished after applications are received.

It may be mentioned here that this change in procedure in no way alters the previous procedure and Government Departments are as usual prohibited from purchasing typewriters direct from firms.

I, therefore, request you to kindly circularise this information in your Department for information and needful action.
